<https://rimon.in.ua/huskroua/uk/ukrainian-cystic-fibrosis-conference-2/>

Conference is co-financed from HUSKROUA ENI CBC project HUSKROUA/1702/8.2/0008:
SK UA CF CARE

„Transfer of know-how and creation of Cystic Fibrosis Centre
to ensure better care for Cystic Fibrosis patients in Ivano-Frankivsk Region“.

“The Member States of the European Union have decided to link together their know-how, resources and destinies. Together, they have built a zone of stability, democracy and sustainable development whilst maintaining cultural diversity, tolerance and individual freedoms. The European Union is committed to sharing its achievements and its values with countries and peoples beyond its borders”

„The Hungary-Slovakia-Romania-Ukraine ENI CBC Programme 2014-2020 provides EU funding for sustainable development along the the border of Ukraine with Hungary, Slovakia and Romania, helps reducing differences in living standards and addressing common challenges across these borders.“
